To Whom It May Concern,

Re: Practical Training Acknowledgment for Sage Migael Agnew

This letter serves to confirm that Sage a student at the University of Cape Town (UCT), was employed by Feytcon for practical training from **7 January 2025** to **28 January 2025**, completing a total of **161.5** on-site hours. During this period, Sage demonstrated dedication and professionalism while assisting with various construction and paving projects.

Sages Activities and contributions included responsibilities included:

Paving & Brickwork: Assisted in laying bricks, grouting, and ensuring proper compaction and alignment for drainage.

Site Preparation: Levelled aggregate, excavated trenches, and backfilled surfaces under supervision, and ensured adherence to timelines.

Team Collaboration: Worked effectively with crews, foremen, and subcontractors, showing initiative in learning technical skills (e.g., curb placement).

Sage has presented a strong work ethic, adaptability to site conditions, and eagerness to apply not only academic knowledge practically but deepen his understanding of it as well. His attention to detail, reliability, and proactive communication were invaluable to our operations.

We confirm that the student's report accurately reflects their duties and the duration of employment. We highly recommend Sage Agnew for future opportunities and commend their performance as a promising professional in the construction industry.

Should you require further information, please contact me at the details above.

Sincerely,
Dewald Feyt
Owner, Feytcon
