## PROFILE SUMMARY

Final-year BSc Construction Studies student at the University of Cape Town with practical experience in quantity surveying, site administration and construction project support. Through over 400 hours of industry training, I have gained experience in quantity measurement, subcontractor claims, concrete reconciliations, procurement, payment notifications and construction documentation. I am eager to begin my professional career where I can continue developing my commercial and technical skills while contributing to successful construction projects.

## WORK EXPERIENCE

### Haws & Inglis (Pty) Ltd - Quantity Surveying Practical Trainee (2025-Present)

- Measured concrete, formwork, finishes and joinery quantities.
- Prepared and verified subcontractor claims.
- Updated concrete reconciliation and delivery spreadsheets.
- Assisted with payment notifications.
- Measured completed work on site for monthly claims.
- Prepared RFIs.
- Reviewed BOQs and construction drawings.
- Assisted with procurement.
- Verified rebar deliveries against schedules.
- Assisted Site Quantity Surveyor with commercial administration.

### Feytcon Paving and Building Jan-2025(1 month)

- Completed 167 hours of practical construction training.
- Assisted with site supervision and coordination of daily activities.
- Measured work and assisted with quotations and procurement.
- Supported material handling and stock control.
- Gained exposure to small business operations, including client quotations and payment processes.

### STUDENT FRONT DESK ASSISTANT- UCT (Feb-Nov 2025) College House Mens Residence

- I assisted students, staff, and visitors with inquiries and front desk services.
- I Managed, maintenance requests, and residence documentation.
- I had to enforce residence policies and assisted with administrative duties for residence control.

### Waitering & Bartending( Seasonal/Casual employment) 2021-2024
